EUEKUS INVITES YOU AS A SPEAKER TO

EUROSON PoC-US SCHOOL 05-06 June 2020, Vienna, Austria
The Point of Care Ultrasonography in Primary Health Care and Ambulatory Care - Updates and Perspectives

ABOUT THE CONFERENCE:

The Conference is organized by EUEKUS with the support of MDX Research. The theme of the Conference, **The Point of Care Ultrasonography in Primary Health Care and Ambulatory Care - Updates and Perspectives**, reflects the collaboration to advance common approaches aimed to improve early diagnostic through ultrasonography techniques. EUROSON PoC-US SCHOOL 2020 will host over 200 delegates and approximately 10 world-renowned faculty from Europe. The meeting will provide participants with a unique opportunity for sharing knowledge, and skills through workshops. In addition, this activity will provide a platform for networking with many of the Europe's leading experts, focusing on reviewing and assessing best practices in ultrasonography. The meeting program will include presentations, hands-on training and a number of informal social gatherings.

VENUE:

Details of the location and access will be provided soon.
